

CC200 PREMIUM BLADES

CONSTRUCTION SERIES BLADE

CRACK CHASER BLADE

The **CC200 Premium V-Shaped Crack Chaser Blade** is engineered for aggressive routing, cleaning, and widening of cracks, control joints, and expansion joints in hard concrete and asphalt. Its premium sintered V-shaped diamond segment delivers fast cutting action, exceptional wear resistance, and extended blade life in highly abrasive repair applications. Designed for professional contractors, the CC200 provides clean, accurate grooves that improve the adhesion of crack fillers, sealants, and repair materials while maintaining consistent cutting performance in both wet and dry applications.

APPLICATION

Concrete, Asphalt

EQUIPMENT

Angle grinders, Crack chaser grinder, Crack chaser saw

TECHNICAL SPECIFICATIONS

SEGMENT HEIGHT 12.7 mm (.500")

CONFIGURATION V - shaped segment

ASSEMBLY Sintered blade
