

GT100 PREMIUM BLADES

CONSTRUCTION SERIES BLADE

TILE SAW CONTINUOUS RIM BLADES

The **GT100 Premium Glass Tile Blade** is engineered for exceptionally smooth, chip-free cutting of glass tile, glass mosaics, and other delicate finishing materials. Its premium continuous rim design and high-quality diamond matrix deliver precise cuts while minimizing edge chipping and material breakage. Designed for professional tile installers and fabrication shops, the GT100 provides outstanding cutting accuracy, long blade life, and consistent performance in both wet and dry applications on smaller diameters, with wet cutting recommended for larger professional saws.
